

## **8/27/2013 NWHSB Alignment Notice**

*On August 27<sup>th</sup> at Camelot Bowl, approximately 24 coaches, proprietors, and coordinators representing the Suburban, Westlake, Porter-LaPorte, and Duneland Conferences met to discuss potential re-alignment options for the 2013-14 season. All in attendance were in favor of the "Reconfiguration" scenario (attached). If you were not in attendance at the meeting, please review the scenario and provide any feedback that you may have by August 31.*

*The current coordinators plan to meet and finalize the re-alignment, conference names, and new coordinator assignments. Then secure approval from the state (Mr. Kunkel) by September 7<sup>th</sup>.*

*Following the approval of the re-alignment, please keep in mind that modifications may be necessary as a result of new schools joining or existing schools exiting the program that may create an imbalance in numbers or size/scheduling constraint with centers. Should this take place, those programs and proprietors impacted would first be consulted.*
